Jeruham Sherrow

Junior Software Developer

irucham3@gmail.com
054-84-84-120

Excellent student of computer science
works well under tight schedules highly motivated
Enjoys new technologies and quickly adapts to them,
Exceptional performance in all the programming
courses.

Professional Knowledge

- Deep and extensive knowledge of complex algorithms and data structures
- Strong familiarity with machine learning algorithms
- Implementation of network protocols over TCP/UDP
- Knowledge and familiarity with cyber security

Projects/Courses during studies

- Developing a network game in java
- Java course Grade:100, C course Grade: 95

Frontend Software Developer

- Self-learning- Html ,Css ,Js
- implementation and execution of Graphical User Interfaces (GUI) involving deep working knowledge in JavaFx

Education

2015- 2018 / **B.Sc. Computer Science student, The College of Management**
- Date of Graduation: 2019

Skills

Programming languages: Java, C, C++,Assembly, Sql

Tools/Technologies: VisualStudio, Eclips, SqlServer, Git, GitHab

Languages: Hebrew – Native proficiency, English – Professional working proficiency

Work Experience

2013-2016 / **Teacher of English/math, "Reshit" high school**
